SIR,

I HAVE the honor, by desire of the Commander-in-Chief, to enclose, for the information of the Right Hon'ble the Governor General of India in Council, copy of a Despatch of the 23rd Instant, from Major-General Sir J. Outram, G. C. FROM

MAJOR-GENERAL SIR J. OUTRAM, G. C. B.,  
Commanding Troops in Oude,

To

THE DEPUTY ADJUTANT GENERAL  
OF THE ARMY.

Camp before Lucknow, 23rd Dec. 1857.

SIR,

I HAVE the honor to report, for the information of His Excellency the Commander-in-Chief, that I had yesterday an affair with the Enemy at a village called Guilea, three miles from hence, situated a little to the right of the road to Dil Khoosha.

I had been informed two days previously, by my spies, that the Enemy contemplated surrounding my position in order to cut off supplies, stop all foraging expeditions, and to intercept my communication with Munnee. With this object, they despatched a Force to Guilea, which took up a

position between that village and Budroop, which places are about a mile distant from each other.

On the evening of the 21st Instant, I learnt, that the Rebels had been reinforced, and that their strength amounted to about 4,000 Infantry, 400 Cavalry, and 8 Field Guns.\*

Having ascertained that a space of about half a mile intervened between their position and the Gardens skirting the Canal and the Dil Khoosha, I moved out at 5 A. M. in the hope of surprising them at day-break and intercepting their retreat to the City with a Force detailed in the accompanying Divisional Order, which I have this day issued, and to which I beg to refer His Excellency for all details, and for the terms in which I express my appreciation of the conduct of The Troops on the occasion.

The main body of the Enemy being on the march considerably in advance retreated to the City by a detour to the left out of our reach, and concealed by intervening tops of trees, on hearing the attack on their rear, but the loss of 1 Horse Artillery Guns, much Ammunition, besides Elephants and Baggage, and some 50 or 60 men slain, will, I think, deter the Enemy from again venturing beyond their defensive works, or at any rate from attempting, for some time to come, to carry out their plan of surrounding this Camp within a too limited circumference, and I have great hopes that the success of this expedition will be productive of good effect in restoring confidence to the neighbouring inhabitants.

Colonel Guy, 5th Fusiliers  
Reserve, under Lieut.  
Colonel Hamilton, H.  
M. 78th Highlanders.

1 Major General Sir  
James Outram has much  
pleasure in recording, in  
Division Orders, his satisfaction  
with the conduct of the Of-  
ficers and Men (quoted in the  
margin, under the Command  
of Brigadier Sturt) engaged  
yesterday in the skirmish at  
Guilee, in which four Guns  
and twelve Waggon's filled  
with Ammunition, were cap-  
tured.

2 The Right Column,  
under the Command of Lieut-  
enant Colonel Parnell, H.  
M. 90th Regiment, con-  
sisting of Detachments of the  
78th and 90th Regiments,  
and of the Peshawar Regi-  
ment of Sepoys, exerted his  
admiration by the gallant  
way in which with a cheer  
they dashed at a strong posi-  
tion held by the Enemy, and  
from which they were met by a  
heavy fire. Regardless of the  
overwhelming numbers and  
6 Guns reported to be pos-  
sed there, the suddenness of  
the attack, and the spirited  
way in which it was exe-  
cuted, resulted in the immediate flight of the  
Enemy, with hardly a casualty on our side.

3 Colonel Guy, in Command of the Left Co-  
lumn, consisting of 400 men of Her Majesty's 5th  
Fusiliers, under the guidance of Lieutenant Moor-  
son, Deputy Assistant Quarter Master General,  
was equally successful in his simultaneous attack  
on the adjacent village of Guilee, in which and  
the adjoining tope two Guns were captured.

4 The Enemy were now rapidly followed up  
across the plain by the Volunteer Cavalry, under  
Captain Barrow, until they found refuge in a vil-  
lage from which they opened a fire of Grape and  
Musketry. They were, however, speedily dislodged,  
by the assistance of two of Captain Olpherts' Guns,  
under the Command of Lieutenant Smithett, and  
changing their line of retreat they endeavoured to  
reach the City by the way of the Dil Khoosha.

5 The Military Train, under Major Robertson,  
having been, however, despatched to make a flank  
movement, followed them up so rapidly that they  
dispersed their Cavalry, and drove their Guns into  
a ravine where they were captured, the leading  
horses, of which the traces were cut, only escaping.

6 The Major-General was particularly pleased  
with the very cool and soldier-like behaviour of  
the Military Train. Far ahead of the Infan-  
try and unable to remove the Guns which  
were captured, they were menaced in their  
front by a large body of fresh Troops from the  
City, and attacked on their right flank by the  
main body of the Enemy consisting of about 2,000  
Infantry, who had commenced their march pre-  
vious to our attack, and who on hearing their rear  
assailed also changed their route to one in the  
direction of the City, and seeing their Guns in  
possession of so small a Force as that under Major  
Robertson, made demonstrations of an attempt to  
regain them, but by the bold front shown by the  
Military Train, and the gallant advance of their  
Skirmishers, were held at bay, until the arrival of  
a party of the 5th Fusiliers and two 9-Pounder  
Guns, under Captain Olpherts, completely secured  
their capture, and enabled a working party of the  
Madras Sappers, under the Command of Lieute-  
nant Ogilvie, to extricate them from the ravine  
into which they had been driven. Captain Hut-  
chinson, Chief Engineer, on this, as on several  
other occasions during the day, afforded much  
valuable assistance.

7 The Major-General has to thank Lieutenant-  
Colonel H. Hamilton, Commanding the Reserve,  
for the good position taken up by him, which,  
with the fire of the two Guns under Lieutenant  
Simpson, which were most judiciously posted, were  
of great assistance in checking the advance of the  
Enemy during the protracted operations of remov-  
ing the captured Guns.

8 Sir James Outram has also to express his  
acknowledgments to Brigadiers Hamilton and  
Pye, who were left in charge of the Camp, and  
with the small force at their disposal, checked the  
dispositions for an attack which the Enemy was  
commencing with their Skirmishers on the left  
flank, until the return of the Force to Camp caused  
them to abandon their intentions.

9. It will be the pleasing duty of the Major-  
General to make His Excellency the Commander-  
in-Chief acquainted with the successful result of  
yesterday's operations, and his approbation of the  
conduct of all those concerned in them.

\* Since ascertained to have been only 4, all of which were  
captured.

# SUPPLEMENT TO DIVISION ORDERS

In publishing to the Troops under his Command the Return of Casualties which occurred in the skirmish at Guilee on the 22nd Instant, as well as the Return of Ordnance captured by them, the Major-General is happy to have to record his approval of the conduct of Staff Sergeant Roddy, who was in Command of the two Guns attached to Colonel Guy's Column, and whom his Command-

ing Officer, Captain Olpherts, has mentioned for the able way in which he brought his Guns into action, and the good service he rendered in covering the rapid advance of the Column.

Major Robertson has also brought to his notice the great assistance he received on every occasion from Captain Lane, 5th Bengal Light Cavalry, and Lieutenant Rich, H. M.'s 9th Lancers, attached to the Military Train.

6. The Promissory Notes taken on the day of Sale, under the last-mentioned Condition, if remaining unredeemed on the said 16th January, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7. Notender of money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 16th January, will be afterwards accepted.

8. The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 26th January 1858, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner, as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of Lots or Chests, whether more or less, than the number of Lots or Chests originally required to be included in each Certificate or Order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities, under the Fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per cent. even money of the amount bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same

gradually until a bid is obtained, and the first *bona fide* bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the Second Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing, in immediate succession, at the same price, and under the same conditions, any number of lots of the same Agency Opium, to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1.—Certificate of the Opium now advertised for Sale.

No. 2.—Report of the Examination of such Opium.

16. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1856-57, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake.

An account of the weight of the drug when packed, and a statement of the average weight of the Chests indiscriminately taken, for the purpose of comparison, from the despatches, on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue.

Four Chests of Behar and Benares Opium, viz., two of the Season's provision under Sale, and two of the previous Season, will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17. Any further information respecting weight or quality of the Opium advertised for Sale, that may be desired by parties connected with the trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the sale and delivery of the Opium for Shipment.

18 The total quantity of Behar Opium of 1856-57, advertised in the Notice of 19th September last, was 22,302 Chests. Of this quantity, 500 Chests will be withdrawn for Abkaree purposes, leaving available only 21,802 Chests for the Sales of 1858. The Board propose disposing of the 10,000 Chests of this Provision, which have been re-packed in Calcutta, in the first Sales of the year, and the remainder in the after-sales.

19 The public are hereby informed, that in addition to the quantity above mentioned for sale in January, the following quantities, more or less, of Behar and Benares Opium, of 1856-57, will be brought to Sale in the year 1858, on or about the dates specified below; the Board, however, reserve to themselves the right of altering these dates, should circumstances render it expedient to do so —

20 It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for Sale at the twelve Sales in the months of January, February, March, April, May, June, July, August, September, October, November, and December 1858, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisitions for the whole of the Opium required by them during the year, within thirty days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of

about 32,468 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale at each or any of the twelve Sales above-mentioned, but shall not pay for it within the pre-scribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

"Article 6th — With regard to the trade in Opium, it is agreed between the high contracting parties, that at each of the periodical Sales of that article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agent of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three hundred Chests in each year and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agent of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the Three hundred Chests heretofore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after Notice of the intended Sales shall have been published in the Government Gazette."

**Notice.**

NOTICE is hereby given, that arrangements have been made by Her Majesty's Post Master General, for the despatch of four Mails Monthly from England to India, and four from India to England.

2nd. Two Mails will be despatched from and received at Calcutta and Madras by Steamer as heretofore; but the Mails from Bombay, instead of being timed so as to meet the Calcutta Mails at Suez, and proceed with them to England, will be despatched from Bombay on the 9th and 24th of each Month, the Monsoon Months excepted, and will be conveyed from Alexandria by an extra Steamer to Marseilles. Letters, &c., marked *via* Southampton from Bombay, will be subject to detention in Egypt until the arrival of the Calcutta Mail, unless an opportunity previously offers of forwarding them by a Packet of the Australian line.

3rd. The outward Mails from England will be regulated in a similar manner. The Calcutta and Madras Mails will be despatched as at present on the 10th and 26th of each Month; but the Mails for Bombay will be made up on days which will, as nearly as possible, divide the period between the despatch of one Calcutta Mail *via* Marseilles, and the despatch of the next by the same route, so as to be due in Bombay about the 12th and 28th of each Month.

4th. When the direct line between Calcutta and Bombay is re-opened, the plan described above will give the Inhabitants of Calcutta and Madras the advantage of four Outward and four Inward Mails every Month. Mails will leave Calcutta by Steamer on the 8th and 22nd of each Month as at present, and Letters and Papers posted about the 14th and 28th will be in time for the Steamers leaving Bombay on the 24th and 8th respectively. Madras will obtain a similar advantage.

5th. Notice will be given by the Post Masters of the Calcutta and Madras Post Offices of the latest safe dates for the despatch of Letters intended for transmission by the Bombay Steamer.

6th. All Letters and Papers marked *via* Southampton will continue to be despatched by the ordinary Calcutta and Madras Steamers, and will not be sent Overland to Bombay.

BOARD OF REVENUE,  
The 6th January 1858.

E. T. TAYLOR,  
Secretary.

5 A deposit in a Promissory Note, either for 25 per cent even money of the amount for which each lot is knocked down, or for Rupees 1,000, at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 16th January, or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Revenue shall see fit, and all costs and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last-mentioned Condition, if remaining unredeemed on the said 16th January, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7. Notender of money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 16th January, will be afterwards accepted.

8. The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 26th January 1858, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner, as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of Lots or Chests, whether more or less, than the number of Lots or Chests originally required to be included in each Certificate or Order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities, under the Fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per cent. even money of the amount bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same

gradually until a bid is obtained, and the first *bona fide* bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the Second Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing, in immediate succession, at the same price, and under the same conditions, any number of lots of the same Agency Opium, to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1.—Certificate of the Opium now advertised for Sale.

No. 2.—Report of the Examination of such Opium.

16. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1856-57, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake.

An account of the weight of the drug when packed, and a statement of the average weight of the Chests indiscriminately taken, for the purpose of comparison, from the despatches, on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue.

Four Chests of Behar and Benares Opium, *viz.*, two of the Season's provision under sale, and two of the previous Season, will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17. Any further information respecting weight or quality of the Opium advertised for Sale, that may be desired by parties connected with the trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the sale and delivery of the Opium for Shipment.

18. The total quantity of Behar Opium of 1856-57, advertised in the Notice of 19th September last, was 22,302 Chests. Of this quantity, 500 Chests will be withdrawn for Abkaree purposes, leaving available only 21,802 Chests for the Sales of 1858. The Board propose disposing of the 10,000 Chests of this Provision, which have been re-packed in Calcutta, in the first Sales of the year, and the remainder in the after-sales.

19. The public are hereby informed, that in addition to the quantity above mentioned for Sale in January, the following quantities, more or less, of Behar and Benares Opium, of 1856-57, will be brought to Sale in the year 1858, on or about the dates specified below; the Board, however, reserve to themselves the right of altering these dates, should circumstances render it expedient to do so:—

"Article 6th.—With regard to the trade in Opium, it is agreed between the high contracting parties, that at each of the periodical Sales of that article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agent of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the Three hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after Notice of the intended Sales shall have been published in the *Government Gazette*."

FROM

W. P. PALMER, Esquire,  
Civil Auditor,

TO

SIR,

I HAVE the honor to forward Extract (Para. 5) of a Letter from the Secretary to the Government of India, in the Financial Department, dated 9th November last, and agreeably to the instructions contained the rem, I request that you will have the goodness to submit, from January ensuing, your Monthly Abstracts in detail, accompanied by a Statement of the Leave of Absence enjoyed by the Officers on your Establishment during the course of the Month for which the Bill which it accompanies is drawn out, in the manner and form prescribed in the Extract Para. 5 above adverted to.

I have the honor to be,

SIR,

Your most obedient Servant,

W. P. PALMER,

Civil Auditor.

FORT WILLIAM,  
Civil Auditor's Office,  
The 4th December 1857.

EXTRACT of a Letter from the Financial Secretary to the Government of India, dated 9th November 1857.

PARA. 5 But this arrangement seems to His Lordship in Council to be insufficient. It does not provide, as it ought to do, for deductions from Salary by the Officers of Audit, and His Lordship in Council therefore directs, that in future all cases in which Leave not notified in the *Government Gazette* is granted to Uncovenanted Servants in excess of the few days provided for in the Financial Resolution, No. 2520, dated the 12th June 1857, shall be reported *Monthly* (instead of *Annually*) to the Civil Auditor or the Military Auditor General, as the case may be, in the Form entered in the margin, the Offices of Audit being left to check the amounts entered in the Form at the time the Establishment Bills are sent in to be passed, on the understanding that deductions are invariably to be made, in accordance with the Rules, from the pay of all absentees whose names are entered in the Form (whether they may be in the receipt of 100 Rupees a month or less), except when special directions are issued by the Heads of Offices to make *larger* deductions, which may be necessary in cases of Officers drawing less than 100 Rupees, whose duties cannot otherwise be provided for without extra expense to Government.

I have the honor to be, &c,

(Signed) C. H. LUSHINGTON,  
Secretary to the Government of India.

*Extract from the Proceedings of the Right Hon'ble the Governor General of India in Council, in the Financial Department, under date the 12th June 1857.*

READ an Endorsement from the Home Department, No. 795, dated the 21st Ultimo, forwarding, for consideration and orders, a Letter from the Acting Chief Secretary to the Government of Bombay, No. 2208, dated the 6th Idem, having reference to a question connected with the Uncovenanted Civil Service Absentee Rules.

RESOLUTION.—The Right Hon'ble the Governor General in Council observes that the Government of Bombay issued a Circular on the 27th June 1856, declaring that nothing contained in the Uncovenanted Service Absentee Rules is intended to prevent Heads of Offices from granting casual leave of Absence from Office, without deduction of Salary, to any Subordinate Officer who, without leaving his Station, may be compelled to remain at home from sickness, for a period not exceeding twenty days in the year, whether continuous or at intervals, that if such casual absence exceed twenty days, the Absentee should be subject to a deduction of one-fourth of his Salary for the period in excess of such twenty days, provided that the entire absence does not exceed two months in the year, and that if such absence exceed two months in the year, the Absentee should be considered as falling under the Uncovenanted Service Absentee Rules.

Referring to this Circular, instructions are solicited as to whether the excess beyond twenty days' Leave, as it is subjected to a deduction of one-fourth of Salary, should, in calculating period of service for Pension purpose, be taken or not into

account as part of the two years allowed by Clause 1 of Section V. of the Uncovenanted Service Absentee Rules, the same as Leave of Absence on Medical Certificate granted under those Rules.

The Right Hon'ble the Governor General in Council observes that, under the strict bearing of the Rules, all Leave under Sick Certificate has to be taken into account as part of the two years allowed by Clause 1 of Section V., and seeing that the Circular issued by the Government of Bombay involves a modification of the Rules, His Lordship in Council is of opinion that it should be cancelled, it being understood, however, that casual Leave for a few days, may, in cases of sickness, be granted by the Head of the Office at his discretion without loss of Salary, and without such Leave being taken into account as part of the two years allowed by Clause 1 of Section V.

ORDER.—Ordered, that a copy of the foregoing Resolution be sent to the Home Department for communication to the Government of Bombay.

Ordered also that a copy be sent to the Depart-

ments\* and Local Governments† noted in the margin.

## Notice.

NOTICE is hereby given, that arrangements have been made by Her Majesty's Post Master General, for the despatch of four Mails Monthly from England to India, and four from India to England.

2nd. Two Mails will be despatched from and received at Calcutta and Madras by Steamer as heretofore; but the Mails from Bombay, instead of being timed so as to meet the Calcutta Mails at Suez, and proceed with them to England, will be despatched from Bombay on the 9th and 24th of each Month, the Monsoon Months excepted, and will be conveyed from Alexandria by an extra Steamer to Marseilles. Letters, &c., marked *vid* Southampton from Bombay, will be subject to detention in Egypt until the arrival of the Calcutta Mail, unless an opportunity previously offers of forwarding them by a Packet of the Australian line.

3rd. The outward Mails from England will be regulated in a similar manner. The Calcutta and Madras Mails will be despatched as at present on the 10th and 26th of each Month; but the Mails for Bombay will be made up on days which will, as nearly as possible, divide the period between the despatch of one Calcutta Mail *via* Marseilles, and the despatch of the next by the same route, so as to be due in Bombay about the 12th and 28th of each Month.

4th. When the direct line between Calcutta and Bombay is re-opened, the plan described above will give the Inhabitants of Calcutta and Madras the advantage of four Outward and four Inward Mails every Month. Mails will be closed at Calcutta on the 8th and 22nd of each Month for despatch by Steamer as at present, and Letters and Papers posted about the 14th and 28th will be in time for the Steamers leaving Bombay on the 24th and 8th respectively. Madras will obtain a similar advantage.

5th. Notice will be given by the Post Masters of the Calcutta and Madras Post Offices of the latest safe dates for the despatch of Letters intended for transmission by the Bombay Steamers.

6th. All Letters and Papers marked *vid* Southampton will continue to be despatched by the ordinary Calcutta and Madras Steamers, and will not be sent Overland to Bombay.

Late Comdg. Lucknow Garrison,  
TO  
THE SECY. TO THE GOVT. OF INDIA,

Cawnpore, 28th Dec. 1857.

SIR,

In my Report to Major-General Sir James Outram, G. C. B., of the operations which took place in the Garrison of Lucknow after the 25th of September until the 23rd of November last, when we were finally relieved by the Force under the personal Command of His Excellency the Commander-in-Chief, I unfortunately omitted the names of Captain Wilson, Deputy Assistant Adjutant General, Lieutenant Birch, A. D. C., and Captain Barwell, Fort Adjutant. I have consequently observed with much regret that these Officers have not received notice in the General Order by the Governor General in Council under date the 22nd Instant.

I have, in my former Report, endeavoured to do justice to the merits of these Officers, and as they have continued to render me valuable service, I feel assured that they would have been prominently brought to the notice of the Governor General by Sir James Outram, G. C. B., but for my inadvertence, which I trust it is not too late to have corrected.

My anxiety that no time should be lost in rendering justice to the Officers above alluded to will

I trust, be deemed sufficient excuse for my having addressed you direct.

I have, &c.,  
J. INGLIS, Brigadier,  
Late Comdg. Lucknow Garrison.

No. 52 of 1858.—Brevet Captain F. G. Kennion, of the Regiment of Artillery, is allowed leave of absence, for three months, in extension of that granted to him in General Order Commander-in-Chief, of the 8th December 1857, to enable him to visit Bombay or Calcutta, preparatory to applying for leave of absence, on Sick Certificate, to Europe, under the new Rules.

No. 55 of 1858.—The Right Hon'ble the Governor General of India in Council has much satisfaction in publishing the following Report of a successful attack made by the Troops under Colonel Rowcroft, on a body of marauding Rebels in the neighbourhood of his Camp, on the 26th of December last.

Camp, Mujhowlee, on the River Chota Gundah,  
25 miles West of Serwan, 28th Dec. 1857.

SIR,

I HAVE the honor to report, for the information of the Right Hon'ble the Governor General, that the Field Force under my Command received a re-inforcement of the Gorucknath Regiment of Goorkhas—500 strong—on the morning of the 25th December, sent on to join me by forced marches from Segowlee, by His Excellency Maharajah Jung Bahadoor and Mr. Samuells the Commissioner. It was represented to me strongly that they were too fatigued, foot-sore and hungry to march again that day, and that they had been without sleep for two nights. I therefore postponed for the day, though reluctantly, my arrangements to move and attack the Rebels at Sohunpore—7 miles distant, and about midway between my

Camp, and of these, half a Company and 20 Matchlock-men to watch and secure the narrow Causeway Bridge over the river Jurhase, less than half a mile in front of my Camp. It was reported to me that the Rebels were posted in the village of Sohunpore, and in two or three large topes (wooded close to it, on either side of the Mujhowlee road, with a tank with high banks close in front of the village on the north, in which most of the Sepoys, and three of their four Guns were posted. On arriving within little more than half a mile of the position of the Rebels, I formed line, and took ground to the right to turn their left flank and not more easily on the tank. During this movement, the Enemy pushed forward numerous Skirmishers into the topes and cultivation, and opened

fire of Guns and Musketry on our line. Our Skirmishers, consisting of the Marines, part of the Naval Brigade and Sikhs, soon returned their fire, doing much execution among the Enemy, especially the Marines with the Minié Rifles. We also opened fire with our Guns, and a few Shells well thrown in two or three directions, checked the Rebels for a time. I advanced the line a short distance, when the main body of the Enemy rapidly moved to their right, to join a Force previously in position, I strongly suspect, on our left, their aim apparently being to surround us with their numbers. I changed our front immediately to our left. During this time, a village on our left was steadily and gallantly held by Lieutenant Barton, 40th Regiment N. I., with the 50 Sikhs, and I sent two Companies of the Ramdull Regiment of Goorkhas to reinforce him in holding that post, and, if possible, to capture a Gun firing on our left. Lieutenant Barton reports that Subadar Hinkamal Bushnia, 9th Company Ramdull Goorkhas, behaved very gallantly, constantly encouraging his men, and in riding at one of the Rebels who was attacking Lieutenant Barton, inflicting fortunately only a cut through his turban and helmet, the Subadar was very severely wounded by a tulwar cut round the left hip, a Sikh then rushing up, cutting down, and killing the Rebel. After changing ground to the left, I advanced the line towards the Enemy, now and then allowing our Guns to throw a Shell or two. The Enemy made a show of advancing a short distance with about 50 Sowars in their front. After advancing the line a short distance, two or three Shells were beautifully pitched into the midst of this large body of Foot and Horsemen, at 900 or 1,000 yards distance, scattering them in all directions. I am sorry there was no opportunity to allow of the Goorkhas joining in a charge. The main body then moved rapidly to their left, as if to gain their old position in the topos and village. Our line was changed to the right. During the former advance and this movement, the Rebel Skirmishers were firing from heavy cover on us from our right and right rear. I ordered the Marines to skirmish and cover our right, and two Companies of the Gorucknath Regiment, who were placed in reserve, to cover our right rear. The line and Skirmishers advanced, firing a few rounds from our Guns into the topos, and in the direction of the tank. The Rebels seem to have had only a rear-guard at this time left at Selimpore. The Skirmishers rapidly advanced into the topos, which we found quite clear of the Enemy. Three tents of Bahadur Singh's nephew, Hurkishen Singh, were here found all pitched, and a quantity of Grain, &c. I ordered the tents to be burnt at once. We then moved to the right to get on the Mujhowlee road, and continued our advance without delay to Mujhowlee, some six miles distant. Within about two miles of Mujhowlee we saw the rear of the Rebels entering the place, and on nearing it I ordered the Marines, and part of the Naval Brigade, and four Companies of the Gorucknath Regiment to push on rapidly after the Sikhs composing the advance guard, in the hopes of capturing their Guns crossing the deep ford of the Gunduk. I am happy to say one large iron six-pounder Gun and limber complete, full of Ammunition, was taken in the river. The Sikhs and some men of the Gorucknath Regiment, with Captain Koolpurshah Singh Bushnia,

were among the first down at the river in capturing the Gun. The cultivation was so heavy, and we advanced on so quickly, it was difficult to ascertain the number of the Rebels killed. Two other tumbrils—one full of Ammunition, the other of Powder—and two or three carts were also taken. The Rebels, by all reports and appearances, were 1100 or 1200 Sepoys, and between 4000 and 5000 other armed men. The Naib Nazim, Musharoff Khan, was present in the action with his Force, and also Ali Kurroon, Moulvee of Patna, who was first reported to have been killed in the action, but now said to have got away the evening before. The Governor General will be pleased to learn that this one day's work has completely cleared the District of this horde of marauding Rebels, relieving the many villages of their plundering and oppression. The Rajah of Mujhowlee and the people gladly welcomed us, as did other people on the road. I had promised the Rajah I would soon relieve him. The Rajah states the Rebels made sure of surrounding and destroying us as we were so few, and of being able to get into Chupra and to plunder the District. The Rajah also states that with the Sepoys, Matchlock-men, Sword and Spear-men the Rebels were more than 6000 or 7000 strong. I do not think the Rebels had heard of the arrival of the second Goorkha Regiment on the 25th December. I learn from the Mujhowlee Rajah and other reports, that there must have been some 120 of the Rebels killed, by the number of bodies since seen in their positions in the Field. Besides many wounded, a few Rebels were killed at the ford and six in one boat. I am happy to say we have had few casualties. The Gun and Musket firing of the Rebels was too high, their Round Shot and Matchlock Balls mostly passing over our heads, the Round Shot killing a Doobie Bearer and a Villager in our rear. A Goorkha Private of the Gorucknath Regiment was wounded by a Musket Ball, and also one of the Magistrate's Sowars. It is a marvel none in the line were hit, for numbers of the Round Shot, &c., passed over or by us, tearing up the ground, and recochetting, but without hitting any one. The action commenced about 10 A. M., and by  $\frac{1}{2}$  past 1 P. M., we had dispersed and driven the Rebels through the topos and village of Selimpore, and followed them up and driven them out of Mujhowlee and over the river Gunduk by 4 P. M. The Troops had a hard day's work, and went through their fatigue most cheerfully. I was myself in the saddle for ten hours, or would have written to you earlier; but I wrote and reported our advance and successful attack and complete operation to Brigadier-General MacGregor, with Mahanuj Jung Boroobor, the same evening, express to Bettiah. We bivouacked for the night near the river, having marched without tents or baggage, except two or three tents for the men of the Naval Brigade, and a few packeries for the Ammunition, and to carry the Goorkhas and Sikhs in case of accidents during the action.

I marched again yesterday morning, 27th December, with a Detachment of the Naval Brigade, two Guns, and eight Companies of Goorkhas—100 men—and the Sikhs, crossed the River, and moved through Selimpore, and about two miles beyond, to the house of one Narnin Dial Canongoo, formerly an Assistant Collector, who had been forward in marauding and giving aid to the Rebels. His house was blown up, burnt and des-

troyed. We also moved to another village, to the house of one Sungram Lall, the Nephew and Toomandar of the above, and destroyed his house; but neither of the villages were injured. We returned to Camp at 4½ P. M.

I need hardly say that the Troops behaved, as British Marines and Seamen ever do, most excellently and gallantly: Captain Sotheby, ever ready and present with the Guns, and to afford me every assistance in the Field. Captain Sotheby has paid great attention to the drill and training of the Naval Brigade for land service, and in quickly training the horses and ponies for the Guns—horses for the large 12-pounder Howitzer, and ponies for the three others, and the Seamen to ride and act as Gunners, and under Lieut. Turner, R. N., in charge of the Artillery, they have had constant drill and training, and are now ready and steady for Field Service, and were in the action of the 26th December.

Lieutenant Grant, R. N., in charge of the Naval Skirmishers, Lieutenant Turner, R. N., in charge of the Artillery, Lieutenant Radcliffe, R. N., in charge of the Naval Column, and all the Officers of the Naval Brigade, and those attached to the Goorkha Regiments, zealously exerted themselves and afforded me every assistance.

Lieutenant Pym, Commanding the Royal Marines, especially did good service with the Minié Rifle, and the orders I sent him were at once understood, and promptly acted on, while skirmishing.

Captains Weston, 36th Regt. N. I., and Brooks, 1st Regt. Light Cavalry, respectively in Military charge of the Ramdull and Gorucknath Goorkha Regiments, afforded me every aid in the management of those Regiments, and Lieutenant Burton, 40th Regt. N. I., in charge of the Sikhs; and were ever ready for any duty and service ordered.

Captain Morgan, 22nd Regt. N. I., Field Force Staff, the Hon'ble Mr. Montague, R. N., my Acting A. D. C., and Mr. Lynch, Deputy Magistrate of Sewan, as also Mr. Nicholson, who acted as my A. D. C., afforded me every assistance in the Field, and during the entire day.

Mr. Nicholson's son, Mr. Kenneth Nicholson, to whom I gave the charge of the Rear Guard Company, Baggage and Camp-Followers, rendered me very useful service.

Major Captain Sree Bhuggut Khanka, Commanding Ramdull Regiment, Captain Perceadass Opndiah, Ramdull Regiment, Captain Koolpurshad Singh Bushpial, Commanding Gorucknath Regiment, and all the Officers of the two Goorkha Regiments, were anxious and ready to render good

service, and the men of both Regiments were steady and willing in the Field, and kept well to the front with the European Force.

I respectfully beg to recommend Captain Sotheby, R. N., of H. M.'s Steam Frigate *Pearl*, and all the Civil, Military and Naval Officers, to the favorable notice of the Right Hon'ble the Governor General.

I have reports that the Rebels left their Gun which played on our left behind them in some well or jungle at Sohunpore, and also the two Guns they are said to have crossed over the river somewhere hidden beyond Selinapore. The Rebels will feel the want of their Guns and Ordnance Stores at Goruckpore, as they are said to be in want of Ammunition.

On the evening of the 26th, I despatched a messenger to Myrna to move on the Camp and Baggage, which was carefully brought on to this place at 4 P. M. yesterday, under Lieutenant Hamilton, 8th Regiment N. I., doing duty with the Naval Brigade.

I have ordered a Bridge of Boats to be got ready to cross the river to-morrow, to facilitate the movement over of the numerous hackeries, the only carriage we have, to be ready to move and act according to reports brought in, and probable orders from Brigadier General MacGregor to co-operate with the Maharajah's Nepaulese Army.

A few Sepoys and Rebels were brought in prisoners during yesterday. They will be duly and speedily disposed of. Proclamations have been sent out to the Villagers to capture all Rebels, and offering rewards.

*Mynpoorie, 28th December 1857.*

SIR,  
I HAVE the honor to report, for the information of His Excellency the Commander-in-Chief, that I reached this place yesterday, and found Raja Tej Sing's Force posted outside the Cantonments. I attacked him at once, routed them, took 6 Guns, and killed about 250 of his rabble. I took possession of the town at once, which I found nearly deserted. I had only two men wounded.  
Since I left Delhi, this little Force of 1,950 men has captured 22 Guns and killed 1,400 Insurgents. I shall remain here until the 31st, and on that morning, march for Bhowgong, to cover the march

of the Convoy, and be on the main road ready to communicate with His Excellency's Camp. I have sent six letters to your address; but have not as yet received any reply. I shall await His Excellency's orders, and be prepared to move in with the Convoy the moment I hear of His Excellency's approach. The Guns I captured at Gungee and Puttiale, I sent into Allypore. Nine of them are of our own manufacture. Of the Guns captured yesterday, one is a fine new pattern 8-inch Howitzer, and was the fitting Gun of the carriage manufactory at Futtelgurb. Raja Tej Sing fled to Bhowgong yesterday with only 16 Horsemen.

PARA. 5. But this arrangement seems to His Lordship in Council to be insufficient. It does not provide, as it ought to do, for deductions from Salary by the Officers of Audit, and His Lordship in Council therefore directs, that in future all cases in which Leave not notified in the *Government Gazette* is granted to Uncovenanted Servants in excess of the few days provided for in the Financial Resolution, No. 2520, dated the 12th June 1857, shall be reported *Monthly* (instead of *Annually*) to the Civil Auditor or the Military Auditor General, as the case may be, in the Form entered in the margin, the Offices of Audit being left to check the amounts entered in the Form at the time the Establishment Bills are sent in to be passed, on the understanding that deductions are invariably to be made, in accordance with the Rules, from the pay of all absentees whose names are entered in the Form (whether they may be in the receipt of 100 Rupees a month or less), except when special directions are issued by the Head of Offices to make *larger* deductions, which may be necessary in cases of Officers drawing less than 100 Rupees, whose duties cannot otherwise be provided for without extra expense to Government.

I have the honor to be, &c.,

*Extract from the Proceedings of the Right Hon'ble the Governor General of India in Council, in the Financial Department, under date the 12th June 1857.*

READ an Endorsement from the Home Department, No. 795, dated the 21st ultimo, forwarding, for consideration and orders, a Letter from the Acting Chief Secretary to the Government of Bombay, No. 2208, dated the 6th Idem, having reference to a question connected with the Un-covenanted Civil Service Absentee Rules.

**RESOLUTION.**—The Right Hon'ble the Governor General in Council observes that the Government of Bombay issued a Circular on the 27th June 1856, declaring that nothing contained in the Un-covenanted Service Absentee Rules is intended to prevent Heads of Offices from granting casual Leave of Absence from Office, without deduction of Salary, to any Subordinate Officer who, without leaving his Station, may be compelled to remain at home from sickness, for a period not exceeding twenty days in the year, whether continuous or at intervals, that if such casual absence exceed twenty days, the Absentee should be subject to a deduction of one-fourth of his Salary for the period in excess of such twenty days, provided that the entire absence does not exceed two months in the year, and that if such absence exceed two months in the year, the Absentee should be considered as falling under the Un-covenanted Service Absentee Rules.

Referring to this Circular, instructions are solicited as to whether the excess beyond twenty days' Leave, as it is subjected to a deduction of one-fourth of Salary, should, in calculating period of service for Pension purpose, be taken or not into account as part of the two years allowed by Clause 1 of Section V. of the Un-covenanted Service Absentee Rules, the same as Leave of Absence on Medical Certificate granted under those Rules.

The Right Hon'ble the Governor General in Council observes that, under the strict bearing of the Rules, all Leave under Sick Certificate has to be taken into account as part of the two years allowed by Clause 1 of Section V., and seeing that the Circular issued by the Government of Bombay involves a modification of the Rules, His Lordship in Council is of opinion that it should be cancelled, it being understood, however, that casual Leave for a few days may, in cases of sickness, be granted by the Head of the Office at his discretion without loss of Salary, and without such Leave being taken into account as part of the two years allowed by Clause 1 of Section V.

**ORDER.**—Ordered, that a copy of the foregoing Resolution be sent to the Home Department for communication to the Government of Bombay.

Ordered also that a copy be sent to the Depart-

## Post Office Notifications.

### Notice.

NOTICE is hereby given, that arrangements have been made by Her Majesty's Post Master General, for the despatch of four Mails Monthly from England to India, and four from India to England.

2nd. Two Mails will be despatched from and received at Calcutta and Madras by Steamer as heretofore; but the Mails from Bombay, instead of being timed so as to meet the Calcutta Mails at Suez, and proceed with them to England, will be despatched from Bombay on the 9th and 24th of each Month, the Monsoon Months excepted, and will be conveyed from Alexandria by an extra Steamer to Marseilles. Letters, &c., marked *via* Southampton from Bombay, will be subject to detention in Egypt until the arrival of the Calcutta Mail, unless an opportunity previously offers of forwarding them by a Packet of the Australian line.

3rd. The outward Mails from England will be regulated in a similar manner. The Calcutta and Madras Mails will be despatched as at present on the 10th and 26th of each Month; but the Mails for Bombay will be made up on days which will, as nearly as possible, divide the period between the despatch of one Calcutta Mail *via* Marseilles, and the despatch of the next by the same route, so as to be due in Bombay about the 12th and 28th of each Month.

4th. When the direct line between Calcutta and Bombay is re-opened, the plan described above will give the Inhabitants of Calcutta and Madras the advantage of four Outward and four Inward Mails every Month. Mails will be closed at Calcutta on the 8th and 22nd of each Month for despatch by Steamer as at present, and Letters and Papers posted about the 14th and 28th will be in time for the Steamers leaving Bombay on the 24th and 8th respectively. Madras will obtain a similar advantage.

5th. Notice will be given by the Post Masters of the Calcutta and Madras Post Offices of the latest safe dates for the despatch of Letters intended for transmission by the Bombay Steamers.

6th. All Letters and Papers marked *via* Southampton will continue to be despatched by the ordinary Calcutta and Madras Steamers, and will not be sent Overland to Bombay.

**II.** Every person who since the said 1st day of May 1857 hath escaped from Jail or lawful custody whilst detained under a committal for trial for any of the crimes hereinafter mentioned or under a charge of being guilty of such crime, and who shall not within one month after the passing of this Act surrender himself to a Magistrate or Police Officer, and declare to the best of his knowledge to a Magistrate from what Jail or other custody he escaped and the nature of the charge upon which he was detained; and every person who shall hereafter escape from Jail or other lawful custody whilst detained under such committal for trial or upon such charge as aforesaid—shall, upon conviction of the crime for which he was so committed for trial or in respect of which he was so charged, be liable to be transported for life.

**II.** It shall also be competent for a Magistrate, in any case in which a fine shall be imposed under the provisions of Section VIII Act XI of 1857, or of Section XXII, Section XXV, or Section XXVIII of Act XXVIII of 1857, or for any petty offence, such as abusive language, calumny, inconsiderable assaults or affrays, to order that corporal punishment not exceeding thirty stripes with a ratan shall be inflicted on the offender in lieu of the fine, in case such fine be not paid forthwith.

The Right Hon'ble the Governor General in Council is pleased to direct that the following Extract from a Despatch from the Hon'ble the Court of Directors, in the Financial Department, No. 74 of 1857, dated 28th October, be published in the Official Gazette for general information:—

*Extract from a Despatch from the Hon'ble the Court of Directors, addressed to the Government of India, in the Financial Department, No. 74 of 1857, dated the 28th October.*

*Para. 9*—Our Despatch to your Government,

*Letter from, dated 21st April 1857, No. 64, Forward copy of an application from Mr. C. Allen, of the Bengal Civil Service, and a Member of the Legislative Council, with reference to the orders of the 1st April 1842, by which it was resolved that the resignation of the Service for the purpose of accepting an Annuity shall, in the case of Civil Servants holding appointments in Council, provisional or otherwise, be approved in such form as shall be at the time a resignation of such appointments as well as of the Service generally.*

dated 2nd February 1842, No. 4, was designed to guard against the admission of a Civil Servant to receive an Annuity whilst he continues in Council. The Resolution

which you passed on receipt of that Despatch is clearly applicable to Legislative Councillors; but we shall not object to such an alteration being made in the Annuity Fund Regulations, as will allow of the Annuity of a Member of Council commencing from the day on which his term of service as Councillor expires, instead of from the 1st May preceeding.

10. We concur in your suggestion that, in cases in which, under the literal bearing of the new Rule, limiting the period of service to thirty-five years, Civil Servants might be required to leave the Service at any time between the 1st May in one year, and the 1st May in the next, they shall be allowed to retain their appointments until the 1st May following the date on which their period of service may expire.

PARA 37. We shall allow the Gratuities which,

under the New Rules, may in future be granted at the discretion of your Government, in cases for which the Pension Rules do not provide, to be calculated on the Salaries received by Unconvenanted

The Government of Fort St. George has been informed in reply to a query, that there are no Rules for the grant of Gratuities to Unconvenanted Servants who have no claim to Pension. RESOLUTION.—With reference to that part of the Financial Notification, dated 27th June last, No. 25, which provides for the cumulation of Privilege Leave to Unconvenanted Civil Servants, the Government of Madras submits an enquiry from the Civil Auditor, whether the cumulation is to have retrospective effect so as to admit of the period a party may have been uninterruptedly at his duties prior to the promulgation of the Unconvenanted Service Absentee Rules, to reckon as part of the period necessary to qualify him for obtaining cumulative leave, and if so, the date from which such effect is to be given.

Referring to this enquiry, the Right Hon'ble the Governor General in Council is pleased to decide that if Heads of Offices certify that parties applying for accumulated Privilege Leave have served the requisite period uninterruptedly, there is no objection to applying to the Unconvenanted Service the rule which was passed in respect to the Convenanted Civil Service and approved by the Hon'ble Court, viz., that service before as well as after the introduction of the new Rules is admissible.

TO

*Depty. Asst. Adjt. General,*

*Meerut Division.*

*Camp, near Narnool, 18th Nov. 1857.*

SIR,

I HAVE the honor to report, for the information of Major-General Penny, C. B., Commanding Meerut Division, that the Moveable Column, under Command of the late Lieutenant-Colonel Gerrard, marched from Kanoude, at 1 A. M., on the morning of the 16th Instant. Owing to the slow progress made by the heavy Guns, the Column did not reach this place till 11 A. M. About two miles before arriving here, we passed a small village on our right, and some of the Guide Cavalry, who were sent to reconnoitre, brought back with them the Jemadar of the village, who informed us that the Enemy, numbering 1000 Infantry and 2500 Cavalry, with eight Guns, of which, however, only five were mounted, were encamped to the left of the village of Narnool on the other side of a Nullah, and that they intended to come out to meet us.

The Jemadar came with us willingly to point out their position, and brought us to the edge of a very large plain with hills on either side, and at the opposite end slightly wooded.

Here we halted until the heavy Guns came up, when Colonel Gerrard formed up the Column. The Carabineers and Guides on the right, then the 7th Punjab Infantry, Horse Artillery, 1st European Bengal Fusiliers, Heavy Guns, 23rd Punjab Infantry, Puttiala Infantry, Sikh Horse Artillery, and the Cavalry, under Captain Stafford. In this order we advanced, the Infantry in quarter distance column, at deploying distance, Colonel Gerrard leading in front of the left flank of the 1st Fusiliers, and very soon perceived the Enemy advancing to meet us.

After going about 100 yards, the Enemy opened fire from three Guns with round shot, grape and shrapnel.

The order was then given to deploy into line at the double, and for the Guns on both flanks to advance, while the heavy Guns opened fire at once. After about five minutes, the Enemy's fire having slackened a little, the Carabineers and Guides were ordered to charge by Captain Wardlaw, while the whole line advanced rapidly. The charge was most brilliantly executed under Command of Captain Wardlaw, of the Carabineers; the Enemy's Cavalry met them without flinching, and engaged them hand to hand. They swept along the whole front and through the Guns and returned to their former position. The Enemy's Guns opened again with grape on the advancing line; but the 1st Fusiliers, who were immediately in front of them, now charged them in the most gallant and spirited manner, and captured two of them; the other was taken by the Moulani Horse more to the left. The line again formed and advanced, the

Enemy disputing every foot of ground with determination, and inclining to the right, the left flank crossing a deep and broad Nullah, and clearing some thick brush jungle, came in view of the village of Narnool on our right, and the Enemy's Camp across the Nullah, on some rising ground in front.

Colonel Gerrard himself brought up the Horse Artillery to bear upon the Camp, and ordered the line to advance. At that moment he was mortally wounded, and the Command of the Force now fell upon me as next Senior Officer present.

I was then leading the 1st Fusiliers across the Nullah, and we charged the Enemy's Camp, followed by the Punjab Infantry, and captured two more Guns, which were keeping up a heavy and destructive fire.

I was afterwards obliged to withdraw the Fusiliers to support the Guns, which I now opened on the village.

The Enemy returned in force, and re-possessed themselves of the Guns and Camp, and again opened fire. I immediately sent two Companies of the 1st Fusiliers, and two Companies of the Punjab Infantry, and a party of the Carabineers and Guides to retake them. They succeeded in taking one; but the Enemy withdrew the other to a large pukka Serai, where they now took refuge.

I ordered the Guide Infantry, under Lieutenant Ward, to advance gradually upon them, occupying the tops of the intermediate houses, with the heavy Guns in their rear. The light Guns I ordered round to the left of the Serai, where there was a single door, the other one opening into the street being a strong double one. By the time the Guns had got round and opened fire, the Guides had taken possession of a high house commanding the Serai, and compelled the Enemy to evacuate it. This being reported to me I ordered the Guns to cease firing, and the Fusiliers and 7th Punjab Infantry advanced into the Serai, taking the Gun at the door, and killing the few of the Enemy that remained inside.

The ground we had advanced over during the day, was between two and three miles, and it was now late, so I ordered the Fusiliers and Punjab Infantry and Guide Infantry to occupy the Serai during the night, while Captain Stafford, with his Force, bivouacked on the Enemy's encamping ground. Early the following morning I cleared the City with a party of the Fusiliers, and found it nearly deserted. The three dismounted Guns we found in their Camp, and I have ordered one—an old worthless one—to be destroyed. The Enemy having fled in different directions, I was unable to follow them up.

I should estimate the loss of the Enemy at 350 killed and wounded. 300 bodies were counted on the Field. I have the honor to enclose a Return of Casualties in the Force under my Command, for the information of the Major-General.

My reason for not moving the Guns earlier to the left was, that a large body of men appeared on our right, and I was not certain whether they

were friends or enemies; they proved to be friends. I did not send the Cavalry in pursuit owing to the lateness of the hour, and the men having been in their saddles since 1 A. M.

I sent a party, under Captain Wardlaw, the next morning, as soon as I could procure information as to the probable route taken by the Enemy. He followed them nearly as far as Kanta, but saw no signs of them.

I omitted to mention that, previous to taking the Gun on the left, Lieutenant Lind, with the Mooltani Horse, charged the Enemy's Cavalry on that flank, and cut up about thirty of them.

I have the honor to enclose the Report of Captain Stafford, Commanding Detachment, together with a Return of his killed and wounded; also the Reports of Captain Wardlaw, Commanding Cavalry on the right, and Lieutenant Lind, Commanding Mooltani Horse.

My thanks are due to all ranks for the gallantry displayed, especially to Officers Commanding Corps and Detachments; but I would bring to the particular notice of the Major-General the names of Captain Wardlaw, of the Carabineers, and Lieutenant Cookworthy, Commanding 1st Troop 3rd Brigade Horse Artillery. Too much praise cannot be given to these Officers, and I trust the Major-General will bring their names to the favorable notice of His Excellency the Commander-in-Chief. Captain Stafford, Commanding Detachment Hurriannah Field Force; Lieutenant Lind, Commanding Mooltani Horse; Lieutenant Humphreys, Engineers. This Officer charged a party of the Enemy's Cavalry, and when wounded and unhorsed, fought his way out on foot. Lieutenant Money, Acting Adjutant, 1st European Bengal Fusiliers, when going to his assistance, had his horse shot under him. This Officer was of great use to Colonel Gerrard as his Detachment Staff. Great credit is due to Lieutenant Ward, 5th Native Infantry, doing duty with Guide Infantry, for the manner in which he took his men into the City. I was also much pleased with Lieutenant Godby, Commanding 7th Punjab Infantry. Lieutenant Wallace, 1st Fusiliers, was wounded while acting as my Orderly Officer. Lieutenant Hogg, of the Commissariat, and Captain Osborn, 54th Native Infantry, were of great use to Colonel Gerrard and myself as Orderly Officers.

I would also beg the Major-General to bring to the notice of the Chief Commissioner the invaluable services of Mr. Ford, Collector of Goorgaon. His exertions in obtaining information and supplies, have been most indefatigable.

Captain Stafford makes favorable mention of Lieutenant Warner, 1st Fusiliers, and Lieutenants Pearse, Hamilton, Hunt and Walcott, Assistant Surgeon Minas, and Serjeant-Major Jackson.

Captain Wardlaw speaks most highly of the gallantry of the Carabineers and Guides, and of the gallant conduct of Lieutenant Hudson, Command-

ing Squadron of Carabiniers, and Lieutenant Kennedy, Commanding Guides; also of Captain Sanford and Lieutenant Craigie, Guide Cavalry.

Lieutenant Lind in his Report, speaks most favorably of Lieutenant Caulfield 9th Cavalry and Russell, 48th Native Infantry, doing duty with Mooltani Horse

My very best thanks are also due to Dr Brougham 1st Fusiliers, for his attention to the wounded in the Field Hospital

SIR,

Commanding Movable Column I have the honor to report the part which the Force under my immediate Com-

mand took in the engagement of the 16th Instant at Narvaal, with the Jonthpore Legion and other Rebels

When we had passed the village of Nussarpore about 4 of a mile from the Enemy's position, the Force, in obedience to Lieutenant Colonel German's orders, advanced at deploying distance -- 23rd Punjab Infantry on the right, Guns in the centre, and the Puttala Infantry on the left the Cavalry being on the extreme left

The Force was soon directed to deploy, and the advance was ordered. After two of the Enemy's Guns were taken, the advance still continued in the same order, until we came to the dry bed of a river. Lieutenant G. G. Pearce, Commanding Cavalry of the Hurmanah Force, was, I much regret to say, here wounded (in two places), and the Command devolved upon Lieutenant R. A. Hamilton. The Guns being unable to cross the Nullah, they diverged to the right, and took up a position near the Horse Artillery Guns, whilst the 23rd Punjab Infantry and Puttala Infantry, in company with the 1st Fusiliers crossed and advanced towards the Enemy's Camp, which was soon taken two Guns falling into our possession by order of Captain Caulfield, the Infantry under my Command returned to where our Guns were in position. Some time after this, and when the Rebels had returned to their Camp and commenced firing round shot at us with one of the Guns

which had been previously taken, I was directed to re-occupy the Camp with two Companies of the 1st Fusiliers, and two Companies of the 23rd Punjab Infantry, some Cavalry, with which Lieutenant Hamilton was, having been despatched to the left to follow up the Mutineers when routed. The Camp was attacked in flank, and the Gun, which had been annoying us, was gallantly charged and taken by the 1st Fusiliers, led by Lieutenant Wainwright. The two Guns were ordered to be removed, and the Infantry was directed to remain in the Enemy's Camp. I now returned to where the remainder of my Force was, and shortly afterwards the Camp was taken possession of.

My very best thanks are due to all, but more especially to Lieutenants Pearce and Hamilton, Commanding Cavalry; Lieutenant Hunt, Commanding 23rd Punjab Infantry; and Lieutenant Walcott, Commanding Artillery, whose Officers, lately embodied, behaved remarkably well. My thanks are also due to Sub-Assistant Surgeon P. A. Munro in Medical charge, for his attention to the wounded.

Lieutenant Hunt makes favorable mention of Lieutenant Chatterton. Officiating Adjutant 23rd Punjab Infantry, and Lieutenant Hamilton brings to notice the gallant conduct of Bissaldar Abdoolah Khan, Eschyl Horse, Alam Khan, Towanah Horse, and Sher Mahomed Khan, Punjab Mounted Police, and Jemadar Hatim Ali Beg, also of the Mounted Police. Bissaldar Alam Khan's conduct deserves special commendation, for when the Enemy returned to their Camp, he took up a position near a Temple and retained it until a reinforcement was brought up when I saw him there myself. It was here that the Towanahs lost many horses. Lieutenant Walcott reports as follows on the conduct of Sergeant-Major J. H. Jackson, and I have much pleasure in bearing testimony to it. -- "I much wish to call your attention to the assistance rendered me by Sergeant-Major J. H. Jackson throughout the day -- assistance peculiarly valuable in consequence of my being myself an Infantry Officer."

I beg to enclose a Return of killed and wounded.

FROM

LIEUTENANT J. B. LIND,

Commanding Mooltani Cavalry,

To

CAPTAIN CAULFIELD,

Commanding Field Force.

Camp, Narvaal, 18th November 1857.

SIR,

The late lamented Colonel Gaisard, when forming his line of attack, directed the Mooltani Cavalry, under my Command, to form up on the

left of the line. There not being room to do this at first, I was ordered to go round the hill on our left, and cross it as soon as possible. I soon found this was impossible, and returned with all speed and got into my position. When the Enemy limbered up their Guns to retire, I ordered a charge, and captured the two 9-pounder Guns with their limbers. Immediately afterwards the Mooltanis were engaged in a smart affair with the Enemy's Cavalry, in which many of the Rebels were cut down and finally driven off. Our line being again re-formed, I kept my position on the left flank, and came up through a wood in rear of the entrenched position held by the Rebels. Afterwards, being directed to proceed back to our Guns, I was about to do so, but thought I had better bring off one of the Guns captured in the entrenched position before mentioned. Accompanied by Lieutenants Caulfield, Russell and Hamilton, and a few Sowars, we tried to get the Gun off, and whilst doing so were attacked by the Rebels (Cavalry and Infantry) in such force as made the abandoning of the Gun a matter of necessity. Rissaldar Wellydad Khan was here severely wounded and several Sowars also. The Mooltani Cavalry formed a part of the attacking party to retake it. We held the entrenched position during the night with the 22nd Punjaub Infantry, Hurrianah Guns, and Lieutenant Hamilton's (Tawanah) Cavalry.

I have every reason to be proud of having such Officers as Lieutenants Caulfield and Russell under my Command; their gallantry was most conspicuous in the charge in which the Guns were taken, and they rendered me every assistance during the day.

Rissaldar Attah Mahomed Khan behaved with his usual bravery, and was in the thickest of the fight.

Sowar Mitty Khan, of the Gundahoor Troop of Mooltanis, also behaved very well. The whole Rissalah indeed showed well in all our hand to hand engagements with the Enemy, and were led by their Khans in them.

I have, &c.,

*Camp, Narwal, 18th November 1857.*

SIR,

I HAVE the honor to report that on the morning of the Action of the 16th Instant, I received instructions from Colonel Gerrard to Command the right, consisting of the Carabineers and Guides. Shortly after forcing the line, the Enemy's Guns

re-opened fire on the extreme right, and several of the Carabineers were wounded. Our Horse Artillery advanced and returned the fire, and after a few rounds I received the order to advance. We did so, and perceiving the Enemy's Cavalry showing a disposition to charge, we accordingly charged, broke and dispersed them, cutting up a large number; but were charged by others on the left flank. They fought in the most determined manner, but found their pluck of little avail against the swords of the Guides or Carabineers; about 50 were killed. The Guides wheeled to their left and charged the Guns on the flank, and the Carabineers, wheeling to the left about, charged through the Guns in rear, and several Gunners were killed, and the majority fled amongst the trees. I regret to say the Carabineers and Guides suffered rather severely in this charge. The gallantry displayed by both Corps was most conspicuous, and the conduct of the Guides was most distinguished. Their Commanding Officer, Captain Kennedy, to whom I am much indebted for assistance during the day, was wounded; but did not leave the Field though his left hand was disabled. I can only say that no European Corps could have charged with greater spirit or more effect than did the Guides on this occasion.

The Detachments under my Command had received orders to protect the right flank, whilst the attack on the Serai and Camp was going on; but the Enemy's Cavalry showing in various points on our rear and flanks, gave us a good deal of annoyance, and immediately we approached they fled. Subsequently, at the request of the Commanding Officer of the Fusiliers, I moved to the left a portion of the Carabineers to support their attack on the Camp, after their taking which, I sent Lieutenant Vyse with a Division in pursuit of the Enemy with the Irregulars under Captain Hamilton. Several of the Enemy were cut up.

Owing to a large Force appearing on our right, which afterwards proved to be the Jeypore Troops, I was unable to move the greater part of my Force to the left when the Enemy were flying; but as there were other Corps of Irregular Cavalry on the left, I trust that a considerable number of the Enemy were cut up.

I have much pleasure in reporting the gallant way in which Lieutenant Hudson managed the Squadron of Carabineers under his Command. Captain Kennedy, whose conduct I have noticed above, in Command of the Guides, was worthy of the highest praise. Two other Officers of the Guides were severely wounded—Captain Sandford and Lieutenant Craigie—while gallantly leading on their men. I trust you will have the goodness to represent to the Major General Commanding the conduct of the men under my Command. I forgot to mention that I received great assistance from Captain Anderson, of the 54th Native Infantry, Interpreter to the Carabineers, who came through the charge, and secured a tubrail, with three or four Carabineers.

I have, &c.,

G. WARDLAW, *Capt.*

It does not provide, as it ought to do, for deductions from Salary by the Officers of Audit, and His Lordship in Council therefore directs, that in future all cases in which Leave not notified in the Government Gazette is granted to Un-mercantile Servants in excess of the few days provided for in the Financial Resolution, No. 2520, dated the 12th June 1857 shall be reported Monthly (instead of Annually) to the Civil Auditor or the Military Auditor General, as the case may be, in the Form entered in the margin, the Offices of Audit being left to check the amounts entered in the Form at the time the Establishment Bills are sent in to be passed on the understanding that deductions are invariably to be made, in accordance with the Rules, from the pay of all absentees whose names are entered in the Form (whether they may be in the receipt of 100 Rupees a month or less), except when special directions are issued by the Heads of Offices to make larger deductions, which may be necessary in cases of Officers drawing less than 100 Rupees, whose duties cannot otherwise be provided for without extra expense to Government.

*Extract from the Proceedings of the Right Hon'ble the Governor General of India in Council, in the Financial Department, under date the 12th June 1857.*

READ an Endorsement from the Home Department, No. 795, dated the 21st Ultimo, forwarding, for consideration and orders, a Letter from the Acting Chief Secretary to the Government of Bombay, No. 2208, dated the 6th Idem, having reference to a question connected with the Unconvenanted Civil Service Absentee Rules.

**RESOLUTION.**—The Right Hon'ble the Governor General in Council observes that the Government of Bombay issued a Circular on the 27th June 1856, declaring that nothing contained in the Unconvenanted Service Absentee Rules is intended to prevent Heads of Offices from granting casual Leave of Absence from Office, without deduction of Salary, to any Subordinate Officer who, without leaving his Station, may be compelled to remain at home from sickness, for a period not exceeding twenty days in the year, whether continuous or at intervals, that if such casual absence exceed twenty days, the Absentee should be subject to a deduction of one-fourth of his Salary for the period in excess of such twenty days, provided that the entire absence does not exceed two months in the year, and that if such absence exceed two months in the year, the Absentee should be considered as falling under the Unconvenanted Service Absentee Rules.

Referring to this Circular, instructions are solicited as to whether the excess beyond twenty days' Leave, as it is subjected to a deduction of one-fourth of Salary, should, in calculating period of service for Pension purpose, be taken or not into account as part of the two years allowed by Clause 1 of Section V. of the Unconvenanted Service Absentee Rules, the same as Leave of Absence on Medical Certificate granted under those Rules.

The Right Hon'ble the Governor General in Council observes that, under the strict bearing of the Rules, all Leave under Sick Certificate has to be taken into account as part of the two years allowed by Clause 1 of Section V., and seeing that the Circular issued by the Government of Bombay involves a modification of the Rules, His Lordship in Council is of opinion that it should be cancelled, it being understood, however, that casual Leave for a few days may, in cases of sickness, be granted by the Head of the Office at his discretion without loss of Salary, and without such Leave being taken into account as part of the two years allowed by Clause 1 of Section V.

**ORDER.**—Ordered, that a copy of the foregoing Resolution be sent to the Home Department for communication to the Government of Bombay.

Ordered also that a copy be sent to the Depart-

ments\* and Local Governments† noted in the margin.

THE following Bill was read a first and second time in the Legislative Council of India on the 16th January 1858, and was referred to a Select Committee who are to report thereon (under suspension of the Standing Orders) within a week:—

*A Bill to authorize the impressment of artisans and laborers for the erection of Buildings for the European Troops in India, and for works urgently required for Military purposes.*

WHEREAS, in consequence of the necessity which exists of completing without delay sufficient Buildings for the accommodation of the European Troops in India, and of the difficulty of procuring without compulsion a sufficient number of artisans and laborers for that purpose, it is expedient to authorize as a temporary measure the impressment of such artisans and laborers as may be necessary; It is enacted as follows:—

I. In any District or place to which the provisions of this Act shall be extended by order of the Governor General in Council or of the Executive Government of any Presidency or place, it shall be lawful for any Officer or Officers, authorized in that behalf by the Governor General in Council or by such Executive Government as aforesaid, to impress native artisans and laborers of any sort which in the judgment of such Officer or Officers may be necessary for the erection or completion of any Building required for the accommodation of European Troops, or for the collection, preparation, or manufacture of materials for that purpose, or for any other work connected with the erection or completion of such Building; and also to impress such boats, carts, bullocks, or other animals as may be necessary in that behalf: and any such artisan or laborer, boat, cart, bullock, or other animal may be so impressed whether such artisan or laborer shall be under a contract to work for, or such boat, cart, bullock, or other animal shall have been previously let to hire to, any private person or not.

II. No action or other proceeding shall be commenced or prosecuted against the East India Company, or against Government or against the Officer ordering the impressment, or against any person acting in his aid or under his orders, for any thing done in pursuance of this Act; nor shall any person who shall be impressed, or whose property shall be impressed, under the provisions of this Act, be liable to any action or proceeding

Government may authorize Officers to impress native artisans, &c., in Districts or places to which this Act is extended.

Officers, authorized in that behalf by the Governor General in Council or by such Executive Government as aforesaid, to impress native artisans and laborers of any sort which in the judgment of such Officer or Officers may be necessary for the erection or completion of any Building required for the accommodation of European Troops, or for the collection, preparation, or manufacture of materials for that purpose, or for any other work connected with the erection or completion of such Building; and also to impress such boats, carts, bullocks, or other animals as may be necessary in that behalf: and any such artisan or laborer, boat, cart, bullock, or other animal may be so impressed whether such artisan or laborer shall be under a contract to work for, or such boat, cart, bullock, or other animal shall have been previously let to hire to, any private person or not.

No action or other proceeding to be commenced or prosecuted against the East India Company, or against Government or against the Officer ordering the impressment, or against any person acting in his aid or under his orders, for any thing done in pursuance of this Act; nor shall any person who shall be impressed, or whose property shall be impressed, under the provisions of this Act, be liable to any action or proceeding

Nor against persons impressed, for breach of contract, of this Act, be liable to any action or proceeding

for the non-performance of any contract which he shall have entered into, and which he shall be prevented from completing by reason of such impressment or of any thing done under the authority of this Act.

III. Every person impressed, or whose property shall be impressed, under this Act, shall be paid the full market-value of his labor, or of the hire of his property, as the case may be; the amount in case of dispute to be settled by a Magistrate.

IV. If any person with whom any contract shall have been entered into for the personal labor or services of any person impressed under this Act, or for the hire of any boat, cart, bullock, or other animal which may be so impressed, shall sustain damage by reason of any breach of such contract occasioned by any such impressment, or of any thing done under the authority of this Act, he shall be entitled to full compensation for such damage, to be paid out of the General Treasury.

V. The claimant shall send in to the Officer by whom or under whose orders the impressment shall be made, a written demand stating the terms of the contract for the breach of which he claims compensation, the period for which the contract was entered into, the amount of advances (if any) made to the persons impressed, the nature of the damage sustained, and the amount of compensation claimed.

VI. A declaration in writing signed by the claimant shall be written on or annexed to the claim, and the claimant shall thereby declare that the statements contained in the claim are true in substance. If any person shall wilfully and corruptly make a false declaration, he shall be liable upon conviction to imprisonment, with or without hard labor, for a term not exceeding two years, and also to fine.

VII. In case any dispute shall arise as to the amount of such compensation, the same shall be determined by arbitration as hereinafter mentioned, that is to say:— The Officer under whose authority the impressment shall have been made, and the claimant or claimants, may appoint a single arbitrator; or if they cannot concur in the appointment of a single arbitrator, each party shall appoint one arbitrator. In every case the appointment shall be in writing, and neither of the parties to the arbitration shall have power to revoke the same without the consent of the other.

VIII. When more than one arbitrator shall be appointed, the arbitrators shall, before they enter upon the matter referred to them, nominate and appoint by writing a third person to act with them as a third arbitrator.

**X.** If any person, on being appointed an arbitrator, shall refuse to act, or, after accepting the appointment, shall die or become incapable of acting, another person shall be appointed in his stead, in the same manner in which the first person was appointed. When more than one arbitrator shall have been appointed, if any one or more of the arbitrators refuse or, for seven days after request in writing by or on behalf of either party, neglect to act, the other arbitrator or arbitrators may proceed *ex parte*.

**XI.** The Magistrate shall, on the application of the arbitrators, summon any witnesses whom the arbitrators may call for, and whom the parties may not be able to produce before them without such process; and require the persons so summoned to bring and produce before them all such books, papers, writings, or other documents, as they shall require. The person so summoned shall be subject to all the provisions of the laws in force regarding persons summoned as witnesses before the Magistrate when acting judicially.

**XII.** Either party to the reference may be examined as a witness, and shall be bound to produce all documents in his possession in the same manner as any other witness. Every party or witness examined before the arbitrators shall be examined upon oath or affirmation to be administered by or made before the said arbitrator or arbitrators or the majority of them.

**XIII.** On the close of the enquiry, the arbitrator or arbitrators, or a majority of them, shall deliver their award in respect of the matter referred to them, and shall therein specify (as the nature of the case may require) the amount and particulars of compensation awarded by them, the persons entitled to compensation, and the proportions in which they are so entitled.

**XIV.** The arbitrator or arbitrators, on making his or their award, shall be entitled to reasonable fees for his or their services, the amount of which shall, in case of dispute, be fixed by order of the Magistrate. Such order shall be made upon summary petition, and shall be final.

**XV.** The award shall declare by whom and in what proportions the costs of the arbitration and award, including the fees of the arbitrators, shall be paid. If the arbitrators shall certify that the claim, or any part of it, was fraudulent, frivolous, or vexatious, the claimant shall be deprived of all right to compensation.

**XVI.** Payment of the compensation awarded shall be made by the Collector of the District, according to the award, to the persons named therein.

**XVII.** No award of arbitrators made in accordance with the provisions of this Act, shall be liable to be reversed or altered, except by the decision of a Civil Court on the ground of corruption or misconduct of the arbitrators. In case the award shall be so reversed, the matter shall be referred to another arbitrator or other arbitrators to be appointed in the same manner as the first. All suits to set aside an award under this Act shall be instituted within three months from the date of the award.

**XVIII.** If any person liable to be impressed under this Act shall abscond or conceal himself, or endeavour to abscond or conceal himself; or shall be guilty of any device for the purpose of preventing the impressment of himself, or of any boat, cart, bullock, or other animal; or shall without reasonable cause desert the work upon which he shall be employed by Government before the same shall have been completed; or shall refuse or wilfully neglect to bestow his labor upon such work to the best of his ability—he shall be liable, upon conviction before a Magistrate, to a fine not exceeding one hundred Rupees, and, in case of non-payment of the fine, may be ordered by the Magistrate to suffer corporal punishment not exceeding fifteen stripes with a rattan for the first offence, or thirty stripes with a rattan for a second or subsequent offence.

**XIX.** No action or other proceeding shall be brought or prosecuted against any person for any impressment before the passing of this Act for any work or other matter for which impressment is authorized by this Act, nor against any person for the breach of any contract occasioned by any such impressment. Every person who shall have been impressed, or whose property shall have been impressed, before the passing of this Act, or who shall have sustained damage by reason of any breach of contract occasioned by such impressment, shall be entitled to the same payment or compensation, to be settled or ascertained in the same manner, as if this Act had been in force at the time of such impressment; and whereas it may be necessary to impress artisans and workmen for the performance of works urgently required for Military purposes, it is enacted that all the provisions of this Act shall extend to such works.

**XX.** The word "Magistrate" shall include every person exercising the full powers of a Magistrate, and every person authorized by the Executive Government to exercise the powers vested in a Magistrate by this Act.

**XXI.** This Act shall not authorize any impressment to be made after the expiration of six months from the passing of this Act.

No. 41

FROM  
BRIGIER-GENL. G. H. MACGREGOR, C. B.,  
Military Commissioner,

TO  
THE SECRETARY TO THE GOVERNMENT OF INDIA,  
Foreign Department,

Calcutta

Camp, Goruckpore, 7th January 1858.

SIR,

I YESTERDAY had the pleasure of sending to the Lieutenant-Governor of the Central Provinces and to the Commissioner of Patna, for

transmission to the Right Hon'ble the Governor General in Council, the following telegram—"The Army under the Command of Maharajah Jung Bahadoor occupied the Station and City of Goruckpore this day at 2 P. M. Our passage was at first disputed at a Nullah in the middle of the Jungle in front of Goruckpore, and secondly at the entrance to the Station. The Rebels, however, made no real stand. After firing a few rounds, on the advance of our Troops they fled, and were pursued to the Rupty, in their endeavours to cross which some hundreds were killed with trifling loss on our side. We have captured 6 Guns and 2 Zambooracks. More by Post to morrow."

2nd. I have now the honor to submit, for the information of His Lordship in Council, a detailed account of our operations of yesterday, which I was unable to do in time for the Post last night.

3rd. We left Camp at 7 in the morning, a thick fog spreading over the plain, but which had entirely dispersed by the time we arrived at the Jungle about two miles and a half in front.

4th. There ■ Brigade under Brigadier Run Sing accompanied by Captain Ploeden, was sent by road to turn our right to turn their left flank, and a Brigade under Bhagher Sammak Singh accompanied by Captain Edmonstone, to turn their right flank by road to our left; a third Brigade under Brigadier Junga Dey, accompanied by Lieutenant Foote and supported by the Guns under Colonel Loll Sing, accompanied by Major FitzGerald marching by the main road.

5th. Shortly after entering the Jungle, which was very thick the Centre Column was stopped at a Nullah where the road led over a Bridge, about 15 feet of the superstructure of which had been torn away by the Enemy, leaving, however, the main beams intact. Here the Enemy had taken post to prevent our further progress; but our Guns immediately opened on them replied to by two of theirs as also by a volley of musketry succeeded by a dropping fire. Our fire was however too much for them, and on the advance of the Infantry, who passed through the Nullah, the Enemy fled with precipitation abandoning a Gun, which was captured by the Centre Brigade.

6th. From this the Enemy fled through the Jungle, pursued by our men as hard as they could go, but being only Infantry, and the road being sandy and heavy, the men were unable to come up with the flying Enemy. After passing the Bridge the Centre Column was joined by the two Flanking ones in succession the Enemy not having waited for them to arrive on the scene and the whole pressed forward to the front at a place which was mostly ■ run the whole way. The Bridge was immediately repaired, and the Baggage began to cross.

7th. On the head of the Column emerging from the Jungle a party of the Enemy were observed on the left between whom and our Skirmishers long shots were being exchanged, and a few rounds from the Guns of the leading Brigade quickly dispersed them. The leading Brigade then pushed forward, and as the ground rose a little at its crest, we were in view of the Station of Goruckpore. Here the Enemy opened on us from a small tope in front at about 700 yards. His round shot fell very accurately on the road, but not exactly in the direction that we were approaching in.

8th Two Guns were immediately brought to the front and two more shortly after. Their fire was very effective, killing two men at the Enemy's Gun, which they abandoned, accompanied by a small party of Horse which was seen to move. On capturing this Gun the force was about to halt agreeably to orders from the Maharajah when fresh orders were received to push on and try and intercept the Rebels at the Ghaut.

9th The Troops again pressed forward with unwearied energy, picked a very strong entrenchment which would have cost us much trouble and many men if the Enemy had had the resolution to defend it, and reached the Ghaut on the River just as a number of the Enemy were endeavouring to push off for the other side.

10th At one place a number tried to rush up the Banks and effect an escape into the Field, but were intercepted by the Gonds and cut to pieces. The great majority, however, jumped into the river, where they were shot down in great numbers. Three or four hundred must have been killed there the River being at one time literally covered with floating bodies.

11th It is now my pleasing duty to bring to the notice of His Lordship in Council the names of the Nephew Officers who were most distinguished in the action of the 15th. Colonel Loll Sing, Commanding the Artillery, proved himself a good Artillery Officer. He brought his Guns well forward into action and served them with a rapidity and precision which drove the Enemy from his position. Captain Buzan Sing commanded the Guns on the rising ground at the entrance of the Station and his very effective fire was much admired by the Officers present.

12th Major Fitzgerald, who accompanied Colonel Loll Sing, has gained the confidence of that Officer. He gave him sound and judicious advice, which was well acted on.

13th Brigadier Junga Doge who commanded the leading Brigade reaped, conjointly with the Artillery, the principal honors of the day. He led his men on steadily in advance, captured the first Gun at the Bridge, and was the first to overtake the Rebels at the Ghaut. Lieutenant Fooka who accompanied him, greatly distinguished himself exerting himself constantly to get the men into order and keep them steady in their ranks.

14th Brigadier Sumnuck Sing's Brigade was also well in advance, accompanied by Captain Edmonstone who got the Guns into position on emerging from the Jungle, and quickly drove the Enemy away. His Brigade was also early at the Ghaut.

15th Brigadier Ran Sing's Brigade was most skilfully led through the forest to the right by a Native Guide and Mr Bird, of the Civil Service, and accompanied by Captain Plowden. Arriving too late to surprise the Enemy at the Bridge, in the Jungle, they having previously fled on the advance of the Centre Brigade, Ran Sing's Brigade was, from its position, unable to take much further part in the events of the day.

16th The same may be said of Brigadier Jodh Adhikar's Brigade, which formed the Rear Guard with the Baggage, and was accompanied by Lieutenant Hill.

17th I have great pleasure in specially mentioning the services of Mr Bird, of the Civil Service, who has, from the time he joined this Force,

exerted himself in a way which deserves my warmest praise. He was the guide and at the head of the Column on this day where his local knowledge proved of the greatest value.

18th I have also to bring to the notice of His Lordship in Council the assistance which I have received from my Military Secretary and A. D. C., Lieutenant MacAndrew, from the time that we entered on our duties at Bettiah he has been most useful and zealous. He was with the leading Brigade from the opening at the Goruckpore end of the Forest to the end of the action, and the first man who reached the Ghaut on the River.

19th Captains Bond and Thompson of the Commissariat Department, having but little of their own proper duties to do in consequence of the self-supplying nature of this Camp, excited themselves as Military Officers, and rendered very good service, the latter especially in having, together with Lieutenant MacAndrew, subdued dangerous fire which broke out close to a Royal Magazine and threatened the Judge's house with destruction.

20th Lieutenant Cox, Quarter Master in Camp, also accompanied the Advance Brigade. The Commissaries Mr Wingfield C. S., the Colonel Mr Burton C. S., and Captain Byer, Assistant Resident at Nipal, accompanied myself and the Maharajah throughout the day.

21st Surgeon Dickson and the other Medical Officers were present at their posts, but had fortunately but little to do, our casualties being only two killed and five wounded.

22nd A Return of the Captured Ordnance will be sent as soon as it can be prepared.

I have &c,
